

The Heart of Nature with Hannah Gruber

February 21 – 29, 2020

Practice Therapeutic Yoga, experience guided meditation, learn simple holistic tools based on Ayurveda wisdom, commune with Nature, and work 1-on-1 with Hannah to deeply heal and restore your mind, body and spirit on this transformative yoga retreat to one of the most beautiful (and secluded) locations in the world.

You have never experienced awe-inspiring beauty and Nature like that hidden inside the rainforest of the Osa. Monkeys, toucans, scarlet macaws, hummingbirds, butterflies, and ancient trees all invite you to experience a healing yoga retreat unlike any other.
